Barcode Price Cheat Sheet

Easiest and Fastest Way

Sort your envelopes in piles based on contribution amounts.

← Example to the Left.

Scan the amount of your first pile.

- For Example, Your 1st pile is everyone that donated $10

- Scan the $10 barcode

- Next scan every envelope that donated $10

Same thing with your $20 pile and so on...

2	3	4	5
7	8	9	10
11	12	15	18	20
21	25	30	35	40
45	50	60	70	75
80	90	100	125	150
175	200	250	500	600
